

In una porta di sicurezza Dierre, anche i vetri rispondono ad un criterio di esclusività, perché ogni elemento, ogni dettaglio, contribuisce all'assoluto ed inconfondibile valore della vostra porta.

Also the glasses in a Dierre security door meet an exclusivity criteria, because every element, every detail, contributes to the absolute and unmistakable value of your door.

Tutti i modelli di vetro rappresentati sono disponibili anche lisci (non incisi) e nelle seguenti versioni:

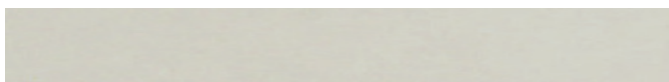

▶ VETRO TRASPARENTE

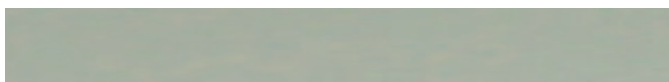

▶ VETRO SATINATO CHIARO

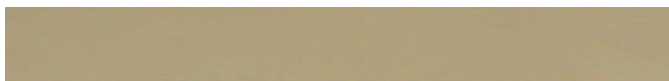

▶ VETRO SATINATO BRONZATO

▶ VETRO STOP SOL CHIARO

▶ VETRO STOP SOL BRONZATO

All glass models shown below are also available smooth (not engraved) and in the following versions:

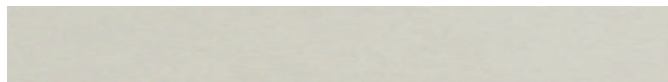

▶ TRASPARENT GLASS

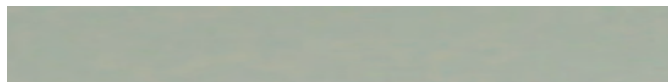

▶ LIGHT SATIN GLASS

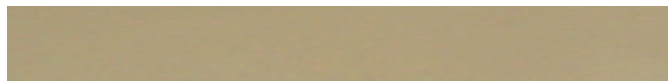

▶ LIGHT STOP SOL GLASS

▶ LIGHT STOP SOL GLASS

▶ STOP SOL BRONZED GLASS

A tutti i modelli di rivestimento vetrati Dierre potete abbinare i vetri che meglio riflettono il vostro stile e il vostro gusto. La scelta può spaziare tra soluzioni lisce, satinare, colorate o a specchio, fino alle più elaborate superfici incise con vari disegni e colori.

Accanto ad ogni modello sono indicati i vari tipi di rivestimento ai quali il vetro può essere abbinato. Qualsiasi altro abbinamento non è possibile.

It is possible to match the glass that best reflects your taste and style to all Dierre glazed models. The choice may range from smooth, satin, coloured and mirror solutions to the more elaborate engraved surfaces that are enriched with various patterns and colours.

The various types of panelling that the glass can be matched to, are illustrated alongside each model. No other combination is possible.
