THE ITALIAN STYLE DOOR  
**Dierre**  
YOUR HOME, YOUR LIFE

Dierre

THE ITALIAN STYLE DOOR  
**Dierre**  
YOUR HOME, YOUR LIFE

Non esiste trasparenza migliore  
del nostro temperamento.

La luce non è la sola fonte di energia.

La vera energia è la creatività  
che vive in ognuno di noi

*There is no better transparency  
than that of our own character.*

*Light isn't just a source of energy.*

*Energy comes from the creativity  
that resides in each and every one of us.*

Esposizione agli agenti atmosferici  
Exposure to weather conditions:

- 

**ESPOSIZIONE COMPLETA / FULL EXPOSURE**  
 Questi pannelli possono essere installati in luoghi sottoposti all'intensa azione di sole, salinità, pioggia e gelo.  
*These panels can be installed in areas that are exposed to intense sunlight, salinity, rain and frost.*
- 

**ESPOSIZIONE COMPLETA CON MANUTENZIONE ANNUALE / FULL EXPOSURE WITH YEARLY MAINTENANCE**  
 Questi pannelli possono essere installati in luoghi sottoposti alla moderata azione di sole, salinità, pioggia e gelo:  
 è necessaria una manutenzione annuale  
*These panels can be installed in areas that are exposed to moderate sunlight, salinity, rain and frost:  
 annual maintenance is required.*
- 

**ESPOSIZIONE LIMITATA / LIMITED EXPOSURE**  
 È consigliata l'installazione solo se in posizione riparata da sole e pioggia diretti  
 (porticati, tettoie e coperture profonde almeno un metro)  
*Only recommended when away from direct sunlight and rain  
 (under porches, covered structures or covers that are at least one meter deep)*
- 

**ESPOSIZIONE SCONSIGLIATA / NO EXPOSURE**  
 È sconsigliata l'esposizione a qualsiasi agente atmosferico: l'applicazione ideale è in atrii e pianerottoli di condomini.  
*Exposure to any atmospheric agent is not recommended: ideal for condominium lobbies and landings.*

# VETRI STAMPATI

PRINTGLASS

Personalizza la tua porta blindata decorando il vetro in modo originale e distintivo, scegliendo fra le suggestive immagini suggerite da Dierre oppure con una foto realizzata e proposta da te.

Ad alcuni modelli di rivestimento vetrati Dierre potete abbinare i vetri che meglio riflettono il vostro stile e il vostro gusto.

Accanto ad ogni modello sono indicati i vari tipi di rivestimento ai quali il vetro può essere abbinato. Qualsiasi altro abbinamento non è possibile.

*Also the glasses in a Dierre security door meet an exclusivity criteria, because every element, every detail, contributes to the absolute and unmistakable value of your door.*

*It is possible to match the glass that best reflects your taste and style to all Dierre glazed models.*

*The various types of panelling that the glass can be matched to, are illustrated alongside each model. No other combination is possible.*

## VETRI DECORATI GLASS

In una porta di sicurezza Dierre, anche i vetri rispondono ad un criterio di esclusività, perché ogni elemento, ogni dettaglio, contribuisce all'assoluto e inconfondibile valore della vostra porta.

A tutti i modelli di rivestimento vetri Dierre potete abbinare i vetri che meglio riflettono il vostro stile e il vostro gusto. La scelta può spaziare tra soluzioni lisce, satinare, colorate o a specchio, fino alle più elaborate superfici incise con vari disegni e colori.

Accanto ad ogni modello sono indicati i vari tipi di rivestimento ai quali il vetro può essere abbinato. Qualsiasi altro abbinamento non è possibile.

**Tutti i modelli di vetro rappresentati sono disponibili anche lisci (non incisi) e nelle seguenti versioni:**  
vetro trasparente  
vetro satinato chiaro  
vetro satinato bronzato  
vetro stop sol chiaro  
vetro stop sol bronzato

*Also the glasses in a Dierre security door meet an exclusivity criteria, because every element, every detail, contributes to the absolute and unmistakable value of your door.*

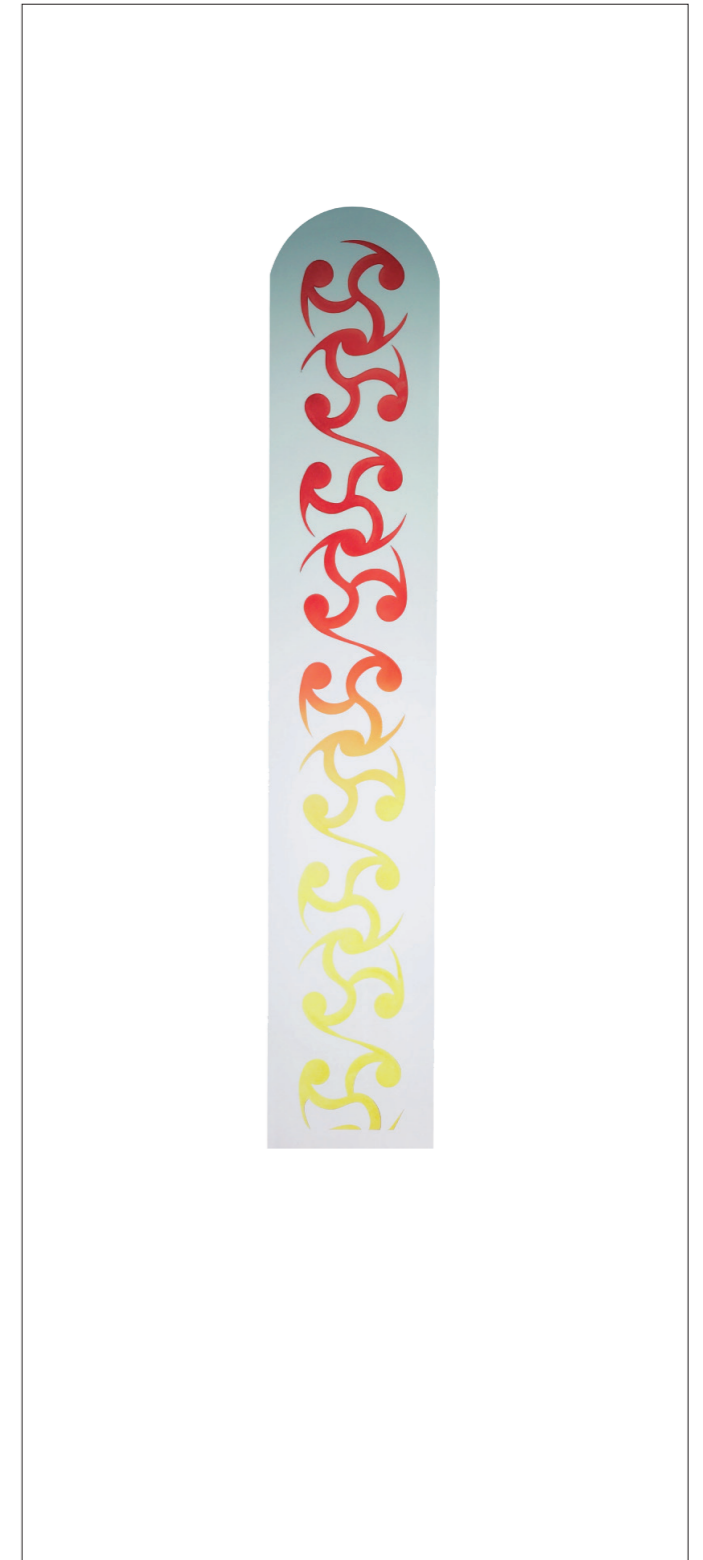

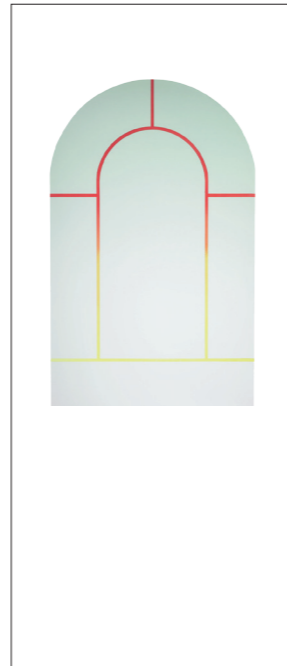

*It is possible to match the glass that best reflects your taste and style to all Dierre glazed models. The choice may range from smooth, satin, coloured and mirror solutions to the more elaborate engraved surfaces that are enriched with various patterns and colours.*

*The various types of panelling that the glass can be matched to, are illustrated alongside each model. No other combination is possible.*

**All glass models shown below are also available smooth (not engraved) and in the following versions:**  
*trasparent glass*  
*light satin glass*  
*bronzed satin glass*  
*light stop sol glass*  
*stop sol bronzed glass*
